DJ HEDSPIN

ABOUT

A guy like no other! DJ Hedspin has been providing full dance floors in clubs around the world for years. There is practically nothing that the Canadian cannot do or has not seen. Within seconds he reads the audience wishes from their eyes and processes these influences creatively and incomparably in his sets. With one of the most spectacular performances in front of a native audience in Vancouver, DJ Hedspin secured the Red Bull 3style world championship title. Not to mention that he was the second DJ ever to win the largest DJ battle in the world. He still belongs to the absolute elite in his profession and his talents are as excellent as they are all-rounded. As a producer he provides countless remixes, which are being heard in different DJ-sets all over the globe. His single „Mobbin“ on Mad Decent together with Grandtheft even hit the Top10 of the iTunes Dance Charts.
